

GÁBOR GAYÀ

Product & Strategy Lead

Berlin, Germany • +49 152 51697425 • gaborgaya@gmail.com • English & Spanish • [Linkedin](#)

SUMMARY

Product & Strategy Leader with experience building products, teams, and operational frameworks across startups and educational organizations.

Proven ability to lead through ambiguity, drive organizational transformation, develop talent, and translate strategic vision into scalable solutions.

WORK EXPERIENCE

Spiced Academy & Neue Fische

May 2025 - Present

UX/UI Department Lead

- Led a department of 12 core team members & 8 freelancers through a post-restructuring phase, stabilizing operations, improving team performance, and rebuilding team cohesion
- Rebuilt 50% of the department through strategic hiring, optimizing team structure across a €650k+ budget
- Defined & launched an AI-native educational product, aligning eight cross-functional teams

Spiced Academy

Sep 2023 - May 2025

UX/UI Cohort Lead

- Developed and launched the “AI for UX/UI Designers” module, establishing the curriculum framework used by multiple instructors to train 250+ students
- Led and mentored 100+ students, supporting professional growth and career development

Beatsquares

Sep 2024 - Feb 2025

UX Lead (External Consultant)

- Led UX for the initial product, contributing to the product foundation that supported the acquisition of NOZ and Süddeutsche Zeitung as the company's first clients
- Designed validation frameworks, analyzed user insights, and prioritized product opportunities to guide decision-making

Early-stage Start-ups & Non-Profits

Dec 2022 - Aug 2023

Product Designer (Freelancer)

- Conceptualized diverse products from idea to MVP
- Identified critical flaws and outdated assumptions, redirecting project direction
- Conducted multiple user interviews with end users, SMEs & decision-makers

Vermibus Studio

Jan 2011 - Dec 2022

Artist and Founder

- Built an internationally recognized creative brand from the ground up, showcased across museums, galleries, and cultural institutions in Europe
- Led end-to-end project strategy and execution, managing partnerships, budgets, logistics, and brand growth as an independent entrepreneur
